Tour Chairman

Call or text Jordan Douglass at 817-584-8125.

It is my pleasure to welcome you to the 53rd Annual Model A Texas Tour. On behalf of the Fort Worth Model A Ford Club, we are pleased to extend you our Cowtown hospitality during the event in Glen Rose, Texas.

Many great unique activities have been planned during the tour for entertainment, educational and driving pleasure of all ages. We also invite you to visit the unique and interesting sights that Glen Rose has to offer that might spark your interest outside of what our tour is featuring.

We hope you take this opportunity to renew old friendships, make new friends and share the Model A interest with all you meet. Without a continued interest in the Ford Model A, events like this are not possible.

We are glad that you have joined us and wish you a happy, memorable stay here in Glen Rose. If you need anything during your visit, please let me know. It was truly our honor as a club to host this event for each and every one of you.

Lastly, I would like to say a big THANK YOU to all that helped make the 53rd Annual Model A Texas Tour a successful event. I have greatly enjoyed working with all the volunteers who have put so much time and effort to make this a tour to remember.

Jordan Douglass

City Mayor's Welcome Letter for Classic Car Convention

June 9-12, 2016

The City of Glen Rose would like to take this opportunity to welcome the 53rd Annual Model "A" Texas Tour to the Somervell County Expo and Convention Center, hosted this year by the Fort Worth Model "A" Club. The Model "A" and Glen Rose share a very special relationship. In the 1920's and 30's, Glen Rose was really breaking onto the "relaxation, vacation, spa" scene of Texas life. Our lovely, peaceful, forested Paluxy River surroundings coupled with our many mineral springs and campgrounds made Glen Rose a family vacation location to escape the hustle and bustle of the "big city." Of course, it was the Model "A" that made those vacation trips a reality for many. Enter the era of the "Motor Park," precursor to our modern-day RV parks. To host this annual event is itself a great honor for our community, but it is also, for Glen Rose, a reunion of sorts. It is a reunion of old friends—historic structures and locations with historic machines. These old, familiar friends will join together as you travel through parts of our town and county, bringing to life once again the days of yester-year to be enjoyed by the residents of the present.

On behalf of the community of Glen Rose, I extend to you a warm, hardy Glen Rose welcome and heartfelt thank you for the honor.

Sincerely,

Onda "Sam" Moody

Mayor

Glen Rose is a city in and the county seat of Somervell County. The area was first settled in 1849 by Charles Barnard, who opened a trading post near Comanche Peak. After the region became a federal Indian reservation in 1855, Barnard moved his business to Fort Belknap. Circa 1859 when the reservation was abolished, he returned to the area and built the first store on what is now the site of Glen Rose.

A three-story stone gristmill was constructed along the Paluxy River and the town that grew up around it became known as Barnard's Mill. The mill was sold to T.C. Jordan of Dallas in 1871 for \$65,000. Jordan's wife, a native of Scotland, decided to rename the town Rose Glen to reflect the area's natural surroundings. The citizens later voted to call the community Glen Rose. A post office opened in 1874.

When Somervell County was formed on March 15, 1875, Glen Rose was designated as its county seat. A Baptist college was organized in 1879 and was later sold to the Paluxy Baptist Association. In 1889, the northern Presbyterians opened Glen Rose Collegiate Institute (also known as Glen Rose College), which remained in operation for the next 15 to 20 years. A courthouse around Glen Rose's town square was completed around 1892, but burned down a year later. A newly built Romanesque Revival style courthouse was constructed soon after with locally quarried limestone. That building sustained damage in a 1902 tornado that also damaged part of the town square.

Throughout the period from the 1900s to the 1920s, Glen Rose was home to approximately 1,000 people. The area's mineral springs attracted numerous doctors and self-styled healers to the community. During Prohibition, the area was a center of moonshining and Glen Rose became known as the "whiskey woods capital of the state." The population remained steady during the Great Depression, although unemployment rates in both Glen Rose and Somervell County increased. As part of the New Deal, Glen Rose borrowed \$80,000 under the Public Works Administration (PWA) to construct a new water and sewage system. Three low-water dams on the Paluxy River, several local school buildings, and a canning plant were built with Works Projects Administration (WPA) money.

During the post-war years, the population of Somervell County declined from 3,071 in 1940 to 2,542 in 1950 as many residents moved in search of greater employment opportunities. At the same time, Glen Rose grew from 1,050 residents in 1940 to 1,248 in 1950. The construction of the Comanche Peak Nuclear Power Plant in the mid-1970s brought financial advantages and new residents to the Glen Rose area. The city experienced a 34 percent increase in population between 1970 and 1980. The nuclear plant came to dominate the local economy. Other chief industries include farming, ranching, and tourism. 111 rated businesses were located in Glen Rose as of 1991. By 2000, the population of the city had grown to 2,122 and the total number of rated businesses rose to 224.

SOMMERVELL COUNTY EXPO CENTER

202 Bo Gibbs Blvd, Glen Rose, TX 76043

Things to Know about the Expo Center

- Park in the **Front Parking Lot** for Registration, Raffle Tables, Seminars, Fashion Judging and the Grand Tour on Saturday.
- **Trailer Parking** is located in the front area of the Front Parking Lot.
- Park in the **Arena Parking Lot** lot for the Welcome Party, Bingo Party and Awards Banquet, especially if you have mobility issues. The Arena is at ground level on the that side. There are entry doors and handicapped parking. The Arena is sunken and is accessible only by bleacher stairs on the west side.
- **Restrooms** are located on both levels.
- The Repair Tent is located under the cover of the barn roof in the back of the Arena building, so it will be out of the weather, cool and dry.
- For car judging, Model A's will enter the Arena past the Repair Tent in the back of the building. They will be judged on the packed earth of the Arena floor.
- This is a casual, small-town venue, used mainly for rodeo and livestock events. The Arena floor is hard-packed, red-colored *earth*. Wear appropriate shoes for this surface, as they may get a little dusty. Light-colored shoes and pants may discolor.
- There is a common area with a gift shop that will be shared with a group who is utilizing other areas of the Expo Center. The gift shop is on the west side of the arena, on the same level as registration, raffles, and other activities. For banquets, it is up the bleacher stairs from the arena. If you have mobility issues, there is a ramp on the east side of the building that goes up to the that level. Be advised that it does require a little walking. There is a miniature horse show going on during the time we are here but it shouldn't interfere with our activities.

HUBLEY RULES

The Track:

- Three lanes wide
- Forty feet long
- Manual car launching
- Timing lights

The Cars:

- The cars must be metal 1:20 scale models made by Hubley, Gabriel, and Scale Model. Any of the seven Model “A” body styles may be used: Sedan, Station Wagon, Coupe, Roadster, Roadster Pickup, Victoria, and Phaeton.
- Cars must be stock including the original tires, wheels, and axle screws. No modifications allowed. Steering may be secured or loose at maker’s choice.
- Weight of each car can be no more than 1 pound, 5 ounces (station wagon weight). A small amount of leeway will be allowed due to the differences of scales. Weights added to lighter cars must be secured, not loose in car.
- A dry lubricant (graphite for example) is allowed at owner’s choice.

Three Classes:

Youth Class: 0–16 year olds

Adult Class: 17 and over

The Race:

After the cars are checked in, all handling and racing of the cars is done by race personnel. At the time their cars are being raced, the competitors may be called up to the track. Cars from each class will be pitted against each other in random order to determine Class Champion, Second and Third Place winners in that class. In the final event, the three Class Champions race to determine the Overall Winner. Three awards are presented in each class. Before the races begin, look over the cars and pick your favorite. Write the car’s number on a slip of paper and deposit it in the ballot box. The winner will be announced at the end of the races.

TOUR ETIQUETTE GUIDE

- Model A's should stay in order in their own group, with no passing.
- Cars should not scatter out, but leave about five car lengths between cars so that on two-lane roads they can be safely passed by modern cars not in the group. Don't follow too closely and don't lag too far behind.
- As the tour is in progress, some cars in your group may be left behind at traffic lights or stop signs. Wait for the car behind you to make it through the light or turn before you continue. If you need to slow down or stop for the car behind you, please flash your lights at the car in front of you. They should be paying attention and slow down or stop and wait for you so that the group can stay together. Always keep an eye on the car behind you!
- Pull over as far to the right as possible if traffic should get backed up behind us. The last car in line will determine when to pull over and let traffic go through. If you see a car behind you pull over and its headlights are not on, you will know it is pulling over for traffic, and not for a problem.
- In case you do have car trouble, turn on your headlights and pull over in a safe spot if possible. The cars behind you will continue on. The "sweeper trailer" will follow our route and stop if you are having car trouble.
- Cell phone service will be spotty. Text messages are usually more reliable, but receiving texts may be delayed.
- On highways, hazard flashers are good to use if the Model A's are going uphill or slow.
- Modern cars should be in the last group and follow behind the Model A's.
- After our lunch on the Grand Tour in Meridian, you may return to Glen Rose on your own.

Thanks and appreciation to all who directly and indirectly contributed to the success of the 53rd Annual Texas Model A Texas Tour—chairpersons and their staff, donators of support items and funds, and the Glen Rose community. A special thanks to all participants who support this event with your presence. We hope you enjoy your time in and around Glen Rose and the activities we have planned. Want to learn more about the Fort Worth Model A Ford Club or become a member? We will be glad to send you a membership application. For more information visit us at <http://clubs.hemmings.com/fwmafcl/>. We look forward to seeing you next year at the 54th Texas Tour, hosted by the Piney Wood "A's".

HERE'S WHAT'S HAPPENING...

WEDNESDAY, JUNE 8TH

Early Birds Have More Fun!

If you arrive on Wednesday and have some time, there's a lot to see in and around Glen Rose. Peruse the Self-Guided Tours & Points of Interest suggested on the inside back cover of this guide. Check out some of the flyers in your goodie bag or in your hotel lobby. Visit a museum, take the kids for an adventure, do a little shopping and eating, or just relax and take it easy after your day's drive. Enjoy what Glen Rose has to offer! Registration is open from 11:00 to 6:00 today at the Expo Center.

THURSDAY, JUNE 9TH

GUIDED TOURS THIS AFTERNOON!

Join us for all three points of interest or join us at any point on your own. We will leave the Expo Center at 12:45 and tour Comanche Peak, which is on our way to the windmill farm. We will finish off the afternoon at the vineyard, where you can sit on the porch and relax and enjoy the view before we head back to town.

Comanche Peak Nuclear Power Plant

The Visitors Center is about a mile inside the front gate. There are interactive displays and a 10-minute video explaining how nuclear power is made. The tour includes a view of a control room simulator in which reactor operators are trained. We have made reservations for today at 1:00. We will leave the Expo Center parking lot at 12:45 as a group, traveling north on FM 56.

Windmill Farm in Tolar

We'll see more than 40 windmills representative of actual windmills used in this part of Texas. Each has been restored to original condition and functions as designed. Some are always in operation. New ones are being added as they are restored. We may see restorations in progress. Great photo opportunities! We will leave the visitor center at 2:00. If you want to put the location in your GPS, it's at 6625 Colony Road, Tolar, Texas 76476. (This is also a bed and breakfast.) Then, we're off to visit a winery.

Bluff Dale Vineyards

Sit on the porch overlooking the beautiful vineyards and hill country of Bluff Dale. They have earned First Place in the prestigious Tasters Choice consumers' wine competition held in Texas, as well as First and Third Place at Grapefest in Grapevine in 2012. Wine tastings are available, as well as soft drinks and light snacks. Beautiful views. In your GPS, it's at 5222 Co Rd 148, Bluff Dale, TX 76433. We should be back to the hotel around 5:00.

ON YOUR OWN

If windmills and wineries aren't on your agenda today, there are several self-guided tours and points of interest to choose from. Additionally, there are plenty of places to shop and eat, both on the square and on the main road through town. See the inside back cover of this guide for a map and ideas.

AND LATER...

Get Hypnotized!

You'll want to be at the Expo Center at 6:00 for the Welcome Party social time to visit with friends for the start of a great evening. At 6:30, join us at the Welcome Party for an entertaining night with a Hypnosis Show! You can expect to have a lot of fun, a lot of laughs, and to see your friends participate! The state of hypnosis releases hidden talents and abilities. Those who have not yet enjoyed the unique experience are in for a real surprise! The ones who get hypnotized end up having the most fun. Our dinner tonight is casual—hamburgers and hot dogs with all the trimmings. Soft drinks and water will be provided, and there will be a cash bar with beer and wine.

For the Teens...

Teens, you'll have your own tables at the Welcome Party. See old friends. Meet new ones.

FRIDAY, JUNE 10TH

“A” MORNING OF JUDGING!

Car Judging

Head over to the Expo Center. You will drive your car into the arena for judging. Go around the east side of the building and enter the arena near the repair tent. If you are entering your car to be judged, you will help with the judging, too. George Tynan is our Chief Judge. We will be using the MAFCA Judging Standards. Judges will meet for breakfast at the Expo Center Showroom Office 8:00 to 9:00.

Fashion Judging

Judging is held at the Expo Center. Arrive at the waiting room at least 15 minutes before your assigned time. Don't be nervous! This is supposed to be fun! You will be judged by the panel and have your photo taken. We will be using the MAFCA Fashion Judging Standards. Kim Eddy is our chair and will also judge. Lynda Davis is our Chief Judge. Judges will meet for breakfast at the Expo Center Showroom Office from 8:00 to 9:00.

GUIDED TOUR TO HICO THIS MORNING

Hico, where everybody is *Somebody!* This is a beautiful small town located on the cusp of the Texas Hill Country. You'll find unique shopping in the historical downtown district. Learn of Billy the Kid and the history of Hico in the Billy the Kid Museum (free, however donations are gladly accepted). Wiseman House Chocolates offers fine handmade chocolates, a must stop! There are plenty of other things to see and do while in Hico.

You are on your own for lunch at the many different restaurants available: Chicken Express, Pizza Inn, Eis Sandwich and Ice Cream Shop, Giovanni's Italian Restaurant, Jersey Lilly's (American and Mexican), Koffee Kup Family Restaurant (homemade donuts, pies and bread) and the Pita Place (sandwiches and soups).

MEN'S SEMINAR

Morris Eddy will have an informative talk about Model A speedometers.

LADIES' SEMINAR

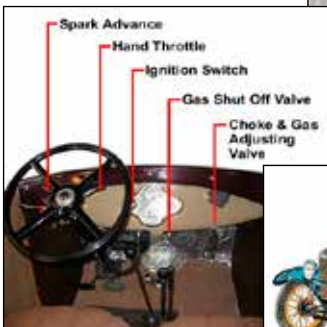

Ladies, if you seldom drive or have never driven your Model A, there may be a time that you may be required to. Karen Whittlesey will go through all the steps necessary to start a standard Model A and then drive it and park it.

Youth Activity

While the grown-ups are attending the men's and ladies' seminars this afternoon, there's a little something for the younger set so they will have something fun to do. There will be a free Model A-themed canvas painting project at the Expo Center. All supplies will be provided and a professional instructor will be there too. Ages 4 and up. Please register as soon as possible so that there will be a project that's the right skill level for your child's age.

BINGO! And Dinner!

On the menu tonight is a Texas tradition—chicken fried steak with plenty of gravy and delicious fixings on the side. Following the meal we'll play BINGO, with lots of prizes! This is a fun night for all ages. Good luck, players!

Hico in the "good old days", bustling with plenty of old cars. From <http://hico-tx.com>.

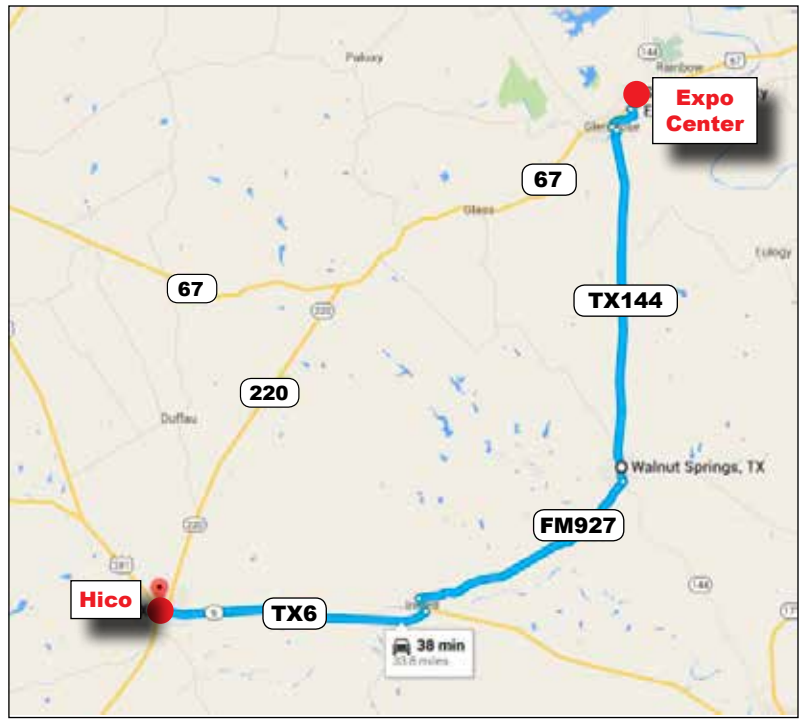

**Guided Tour to Hico
Driving Directions**

Parking for shopping is available at the plaza about two blocks down and on the left on Pecan St. Parking is also available in front of and behind the Koffee Kup Cafe. (It is located a few blocks further west on Hwy 6.)

We need to leave the parking area at the plaza at 12:45 pm in order to be back for the seminars at 2:00. If you wish to leave earlier or stay later, please let your tour leader know. We don't want to leave anyone behind. We will return via the same route.

Lunch is on your own. This is a small town, so lunch may take longer than expected. Please plan accordingly. We want your visit here to be great!

SATURDAY, JUNE 11TH

GRAND TOUR TO MERIDIAN

- Kim and Jim Baksinski are your Grand Tour organizers.
- We will line up in groups at the Expo Center front parking lot by 8:00 a.m.
- Play the Car Games if you wish. Pick your first poker card(s) if you're participating in the Poker Run. Pick up your Trivia Challenge questions. Don't forget to grab a bottle of water.
- We will travel in groups of about 20 cars, leaving the Expo Center 15 minutes apart. Each group will have a lead car and a "back door" car to help keep the group together. There will also be sweeper trailers on hand.
- We'll be going across a few (dry) low water crossings and a few cattle guards. There may be cattle in the road in a couple of places.
- There will be dinosaur footprints painted on the roads to mark the way, mainly at turns and intersections.
- Follow the "Tour Etiquette Guide" on page 3. (Keep the car behind you within sight. If you break down, turn on your headlights. Someone will be along soon to help you if needed.)
- Driving time to Meridian is about 3 hours, including stops.
- There are stops with portable potties along the route. There are 2 "emergency" stops with just a single potty at each. (See maps and instructions.)
- Distance from Expo Center to Meridian is about 63.4 miles.
- Distance is about 87.4 miles round trip, ending in Glen Rose.
- A sack lunch will be provided at the Meridian Civic Center on 309 W. River St.
- After lunch, enjoy yourselves in Meridian (see below).
- You will head back to Glen Rose on Hwy. 144.
- The hospitality room, repair tent and raffle room will be closed during the Grand Tour.

Call or text one of us if you get lost or need help along the way. Cell phone reception is limited or spotty, at best. Text messaging usually works.

Kim Baksinski 254-485-9886 (Sprint)
Jim Baksinski 254-396-0611 (AT&T)
Sweeper Trailer, Ace Polson 817-881-2911

Car Games

Participate in the Car Games in the Expo Center parking lot before the Grand Tour. Mason Whittlesey and his crew will put you through your paces with something fun and entertaining. There will be awards! For kids of all ages!

Poker Run/Trivia Challenge

Randy and Oltholene Minton will put on a Poker Run and Trivia Challenge during the Grand Tour. For the Poker Run, the cost is \$5 per poker hand. If you didn't buy your poker tickets in advance or if you want to buy more tickets, they will be

available for purchase before the tour starts. You'll receive your first poker card(s) at the Expo Center. You'll draw other poker cards at the stops along the way, at Meridian and again at the Expo Center in Glen Rose when you return. Your poker hands will be collected after your last card is drawn. Your answers to the Trivia Challenge will be turned in at that time as well. Pick up your Trivia Challenge questions at the Expo Center before you leave.

Things To Do While In Meridian

Kim and Jim Baksinski have arranged for the courthouse and the Bosque Collection Museum to be open during our visit to Meridian. Docents will be on hand to add to the experience. Kim and Jim have also arranged for live entertainment while you are visiting the town square. The band The B&B Band (Ballad & Blues) will play for your enjoyment from 12:00 to 2:00. Bosquefest is going on while we are in town, west of the community building where lunch is served.

RAFFLES

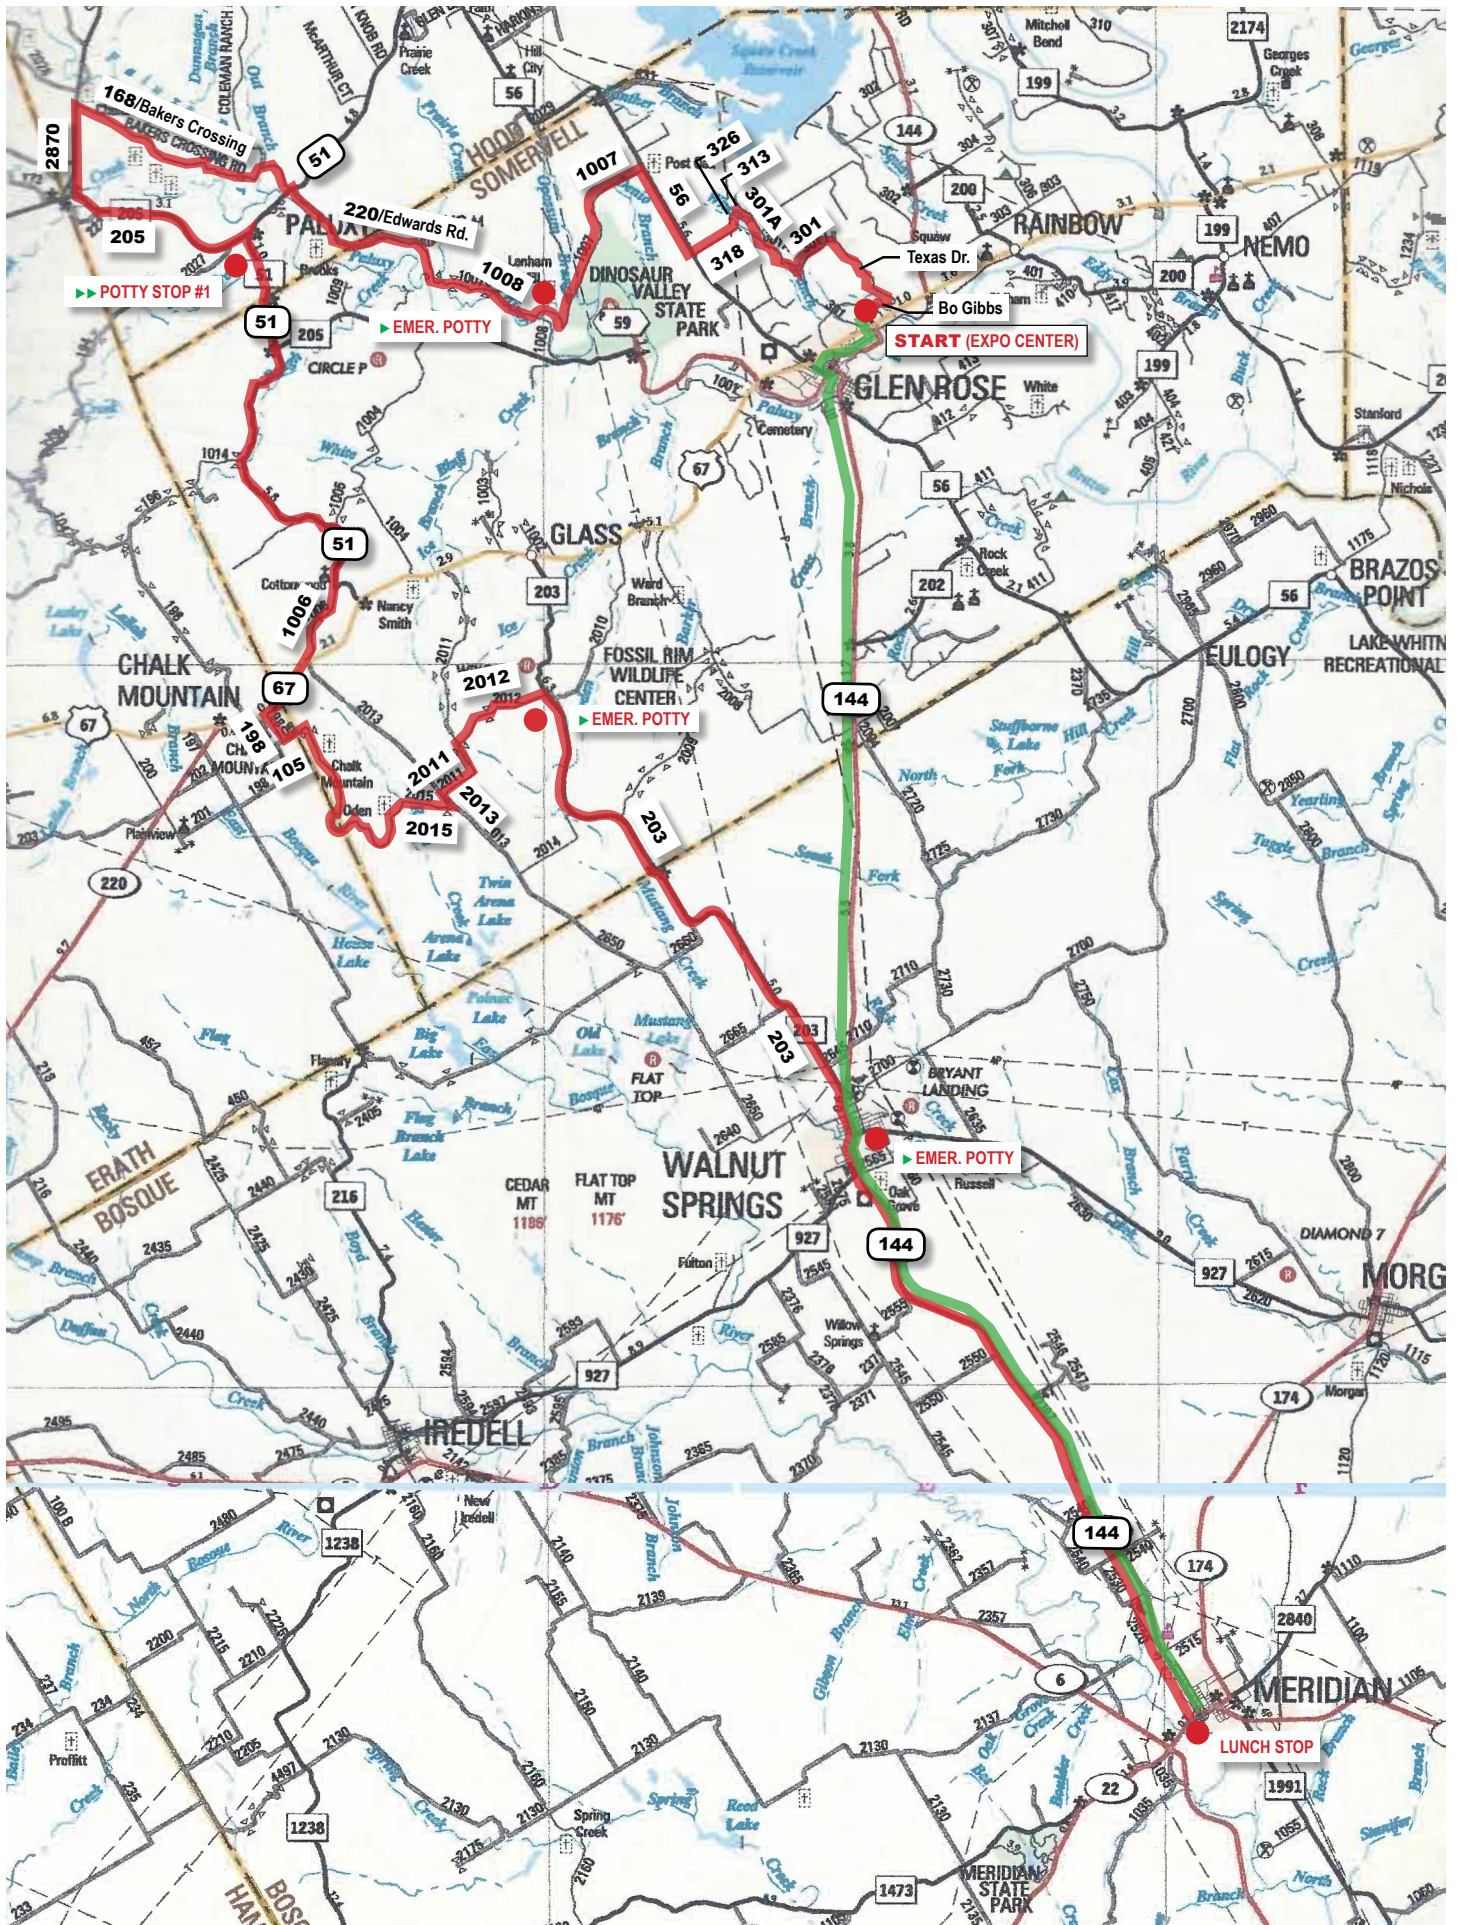

So, you're back from the Grand Tour and it's not time for the banquet. Go get you some more raffle tickets before it's too late! Get some tickets for that Gary Bernard transmission and other high-dollar items, too, while you're at it. And how about that 50/50 raffle? You could be a winner! We will draw the winning tickets before the banquet tonight and post them in the Expo Center lobby. You can claim your prizes before or after the banquet. The winning ticket to the big-ticket items and the 50/50 raffle will be drawn during the banquet. The raffle proceeds are a big part of meeting the expenses incurred hosting a Texas Tour. In fact, we couldn't have a successful tour without raffles. We appreciate your participation in this Texas Tour and are glad you are here. Thanks and good luck!

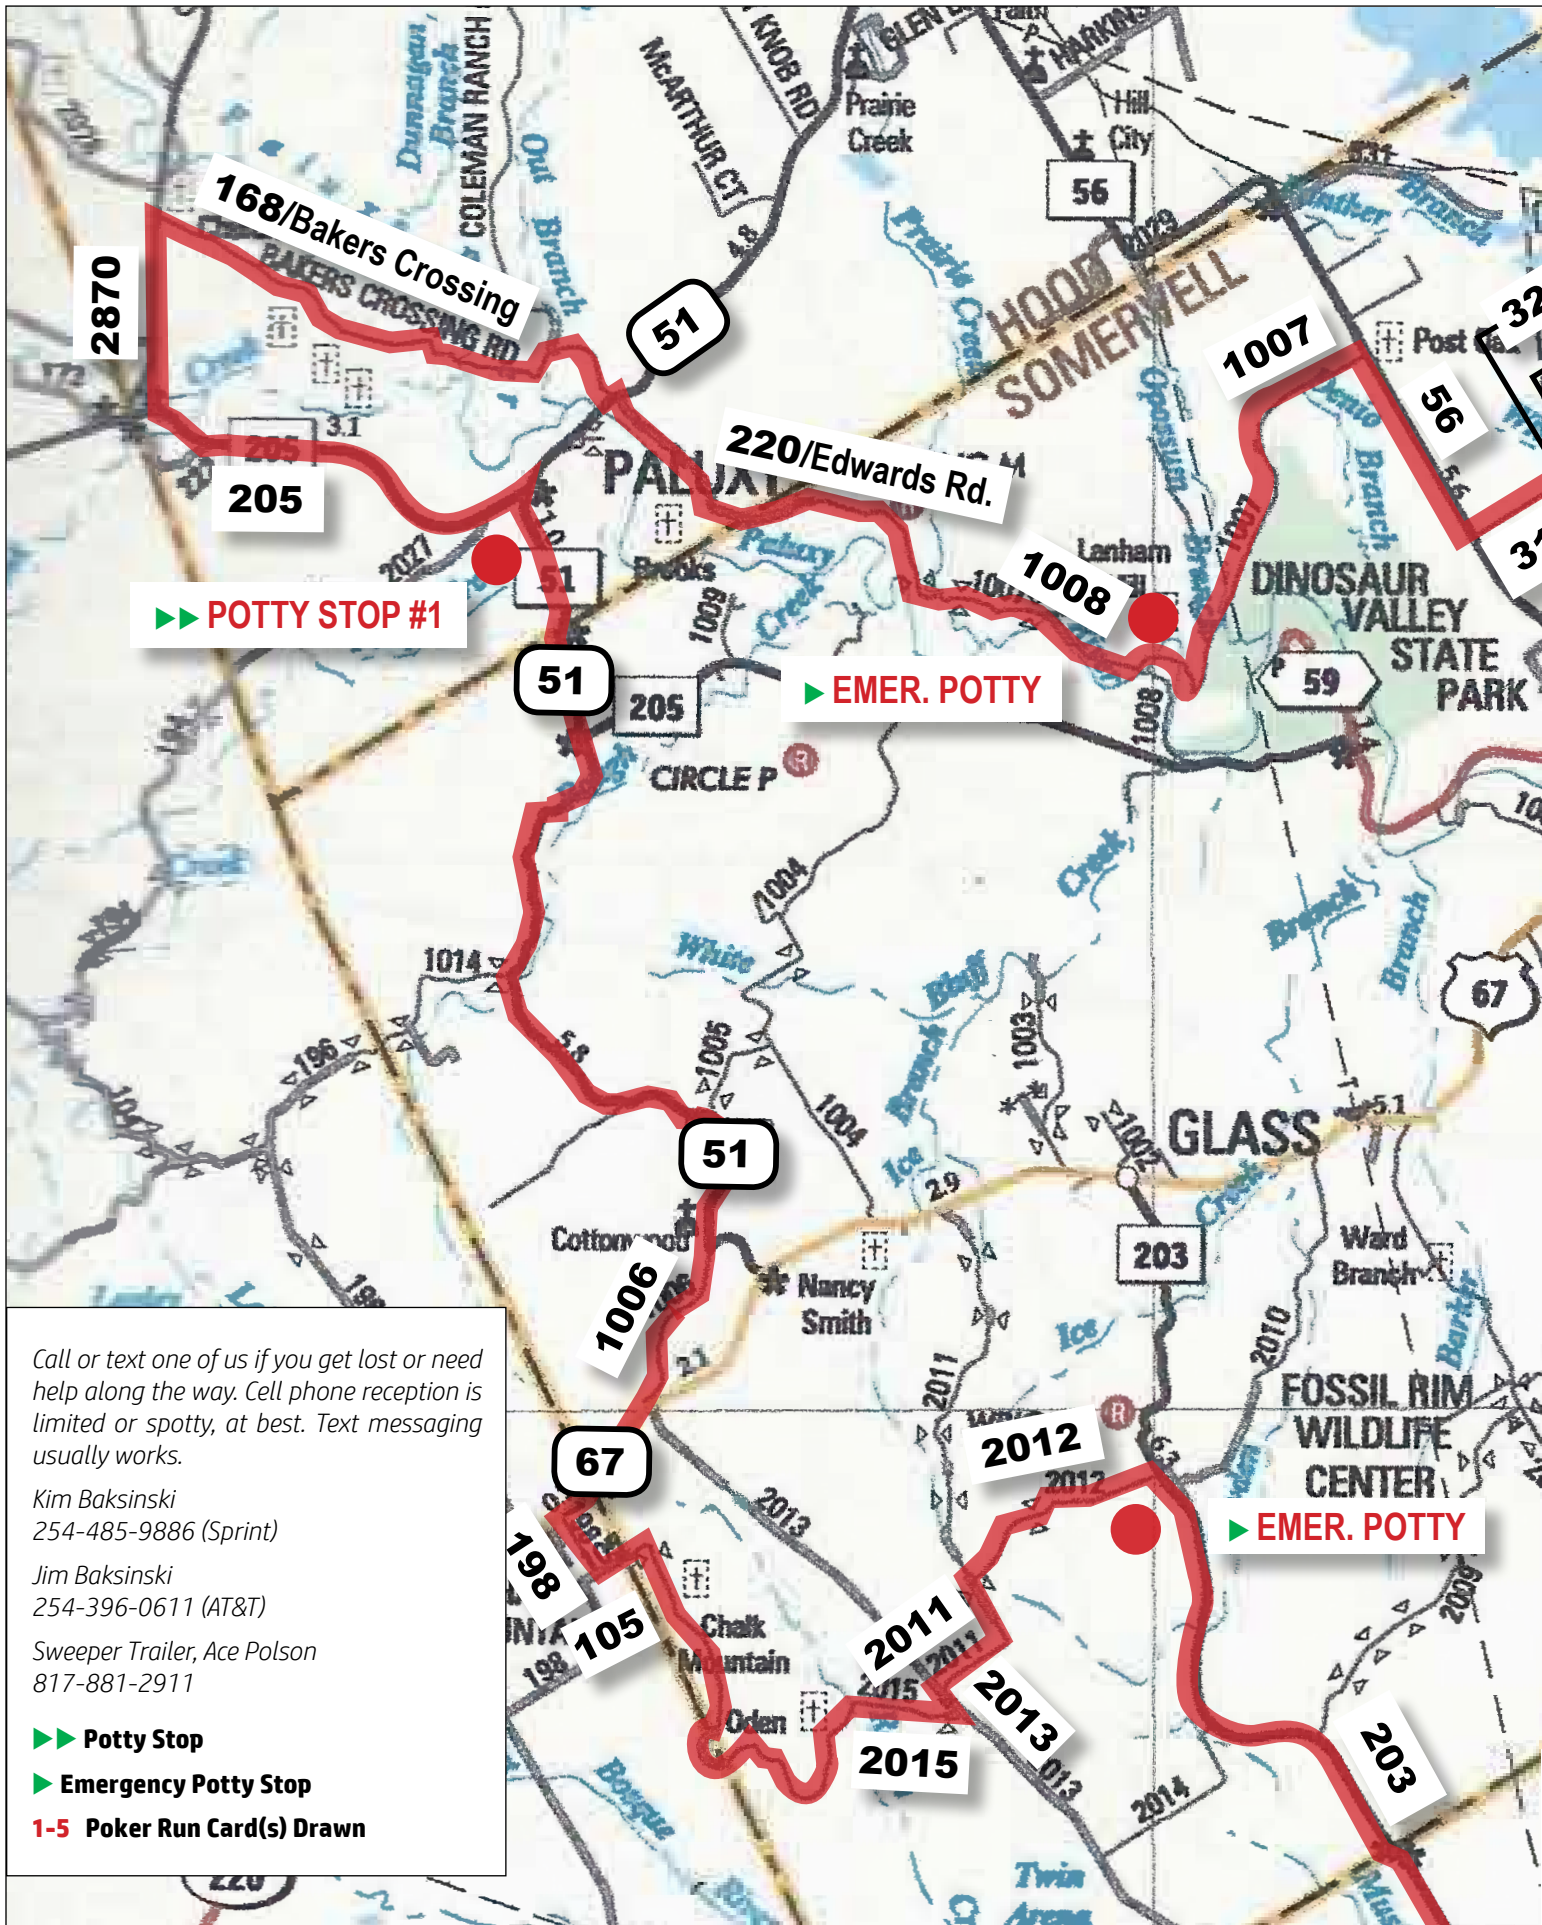

AWARDS & FASHION BANQUET

Head out to the Expo Center to mix and mingle before the meal. There will be an open bar on the Arena floor. The banquet starts at 6:30. Our main course will be your choice of grilled chicken or chopped beef. Our entertainment tonight will be a fashion show. Those who entered in the Fashion Judging are asked to wear their ensembles tonight. They will be presented with their awards and walk across the stage so that everyone can admire their era costumes. The fashion show will be before our banquet, so that fashion entrants can change out of their fancy footwear before joining the rest of the group. Remember, this is a hard-packed dirt floor, so wear your casual shoes tonight. If you entered the Car Judging, you will be presented with your award tonight.

Youth Activities

We encourage all young drivers, ages 16 to 24, to be in the same group on the Grand Tour today. Look for the group leader displaying a sign that says "Young Drivers Group" and line up with that group. Don't forget the car games in the Expo Center parking lot before the tour! For kids of *all* ages, come participate or be a spectator to the fun. You will have your own tables at the banquet tonight.

Call or text one of us if you get lost or need help along the way. Cell phone reception is limited or spotty, at best. Text messaging usually works.

GRAND TOUR TO MERIDIAN

1. ►► We will be having Car Games in the Expo Center Parking Lot and a Poker Run & Trivia Challenge while on the Grand Tour.

Play the Car Games if you wish. If you are participating in the Poker Run, draw your first card(s) at the Expo Center before you leave for the Grand Tour. Pick up your Trivia Challenge questions. Don't forget to pick up some water.

Turn-By-Turn Directions

Turn right out of the Expo Center parking lot onto **Bo Gibbs**.

Turn right onto **Texas Drive**.

Texas Drive becomes **CR 301**.

Turn right on **CR 301A**. Go 2.3 mi. (If you see the entrance to Wheeler Branch Park, you've gone too far.)

CR 301A becomes **CR 313** after the curve.

Go 1.4 miles on CR 301A/ CR 313.

Turn left on **CR 326**. Go .4 miles.

Turn left on **CR 318**. Go .8 miles.

Turn right (north) at the stop sign onto **FM 56**. Go .5 miles.

Turn left (west) onto **CR 1007**. (Post Oak Church will be on your right.) Go 3.8 miles on CR 1007.

Turn right onto **CR 1008** at the "T" (There is a low water crossing to your left, which has dead ends. Good swimming/fishing hole.)

► There will be an emergency portable potty on CR 1008.

CR 1008 becomes **CR 220/Edwards Rd**. Go 5 miles on CR 1008/CR 220.

Turn left on **Hwy. 51** at the stop sign.

Immediately turn right (west) onto **CR 168/Bakers Crossing Rd**. Go 4.1 miles.

Turn left (south) on **CR 2870**. go 1.5 miles.

Turn left (east) again onto **FM 205** at the stop sign. Go 3.3 miles.

2. ►► Our first designated potty break is at the intersection of FM 205 and FM 51, about 24 miles from the Expo Center. Draw your second poker card(s) and grab some water before continuing on your way.

Heading out, you will turn right or south on Hwy 51 toward Paluxy. Go 7.1 miles.

Turn right onto **CR 1006** (Chalk Mountain Bypass Rd.) at the stop sign. Go 1.4 miles. *We will make a short pause to regroup.*

Turn right onto **Hwy 67**. Go 1 mile.

Turn left (south) onto **CR 198**. (There will be a cell phone tower on the right and a Masonic Lodge sign on the left.)

CR 198 becomes **CR 105** after the curve.

Turn left (north) at the stop sign onto **CR 2013**. Go .2 miles.

Turn right on **CR 2011**. Go 1.4 miles.

Turn right (east) onto **CR 2012**. Go 1.4 miles. *(We will be going down a small but sharp curved hill called the "Widow Maker" so please drive slowly!)*

► There will be a single portable potty at the end of CR 2012 right before you turn onto CR 203.

Turn right (south) at the stop sign onto **FM 203**. Follow FM 203 to Hwy 144.

GRAND TOUR TO MERIDIAN

Turn right (south) at the stop sign onto **FM 203**. Follow FM 203 to Hwy 144.

Turn right onto **Hwy 144**, traveling through Walnut Springs.

3. We will stop briefly at Walnut Springs City Park on Hwy 144. It's on the left just past town. You will draw your third poker card(s) here. Meridian is just 12 miles south on Hwy 144.

Continue south on Hwy 144 to Meridian.

4. In Meridian you will be served lunch at the Meridian Civic Center at 309 W. River Street. Draw your fourth poker card(s) here. The town is opening up the Bosque Collection Museum and the courthouse especially for us. Enjoy these, some shopping and the Bosquefest taking place here today.

5. Return to Glen Rose via Hwy 144 North. It will take you back to the town square, about 24 miles away. Draw your final card(s) at the Expo Center, then turn in your hand(s) and trivia answers.

Call or text one of us if you get lost or need help along the way. Cell phone reception is limited or spotty, at best. Text messaging usually works.

- 1-5 Poker Run Card(s) Drawn**

Roughly fifty-five miles south of the Dallas/Fort Worth outskirts, gentle hills rise to meet you and beautiful vistas engulf you in the enchantment of the Texas hill country.

Welcome to Meridian, the county seat of beautiful Bosque County. Situated on rolling terrain with bluffs over-looking the Bosque River, Meridian sits at the intersection of State highways 6, 22, 144 and 174.

The historical courthouse, built in 1886, has been designated a Texas Historical Landmark. Completely restored in 2007, bringing back its Gothic clock tower and turrets, the courthouse now provides the centerpiece for the downtown square.

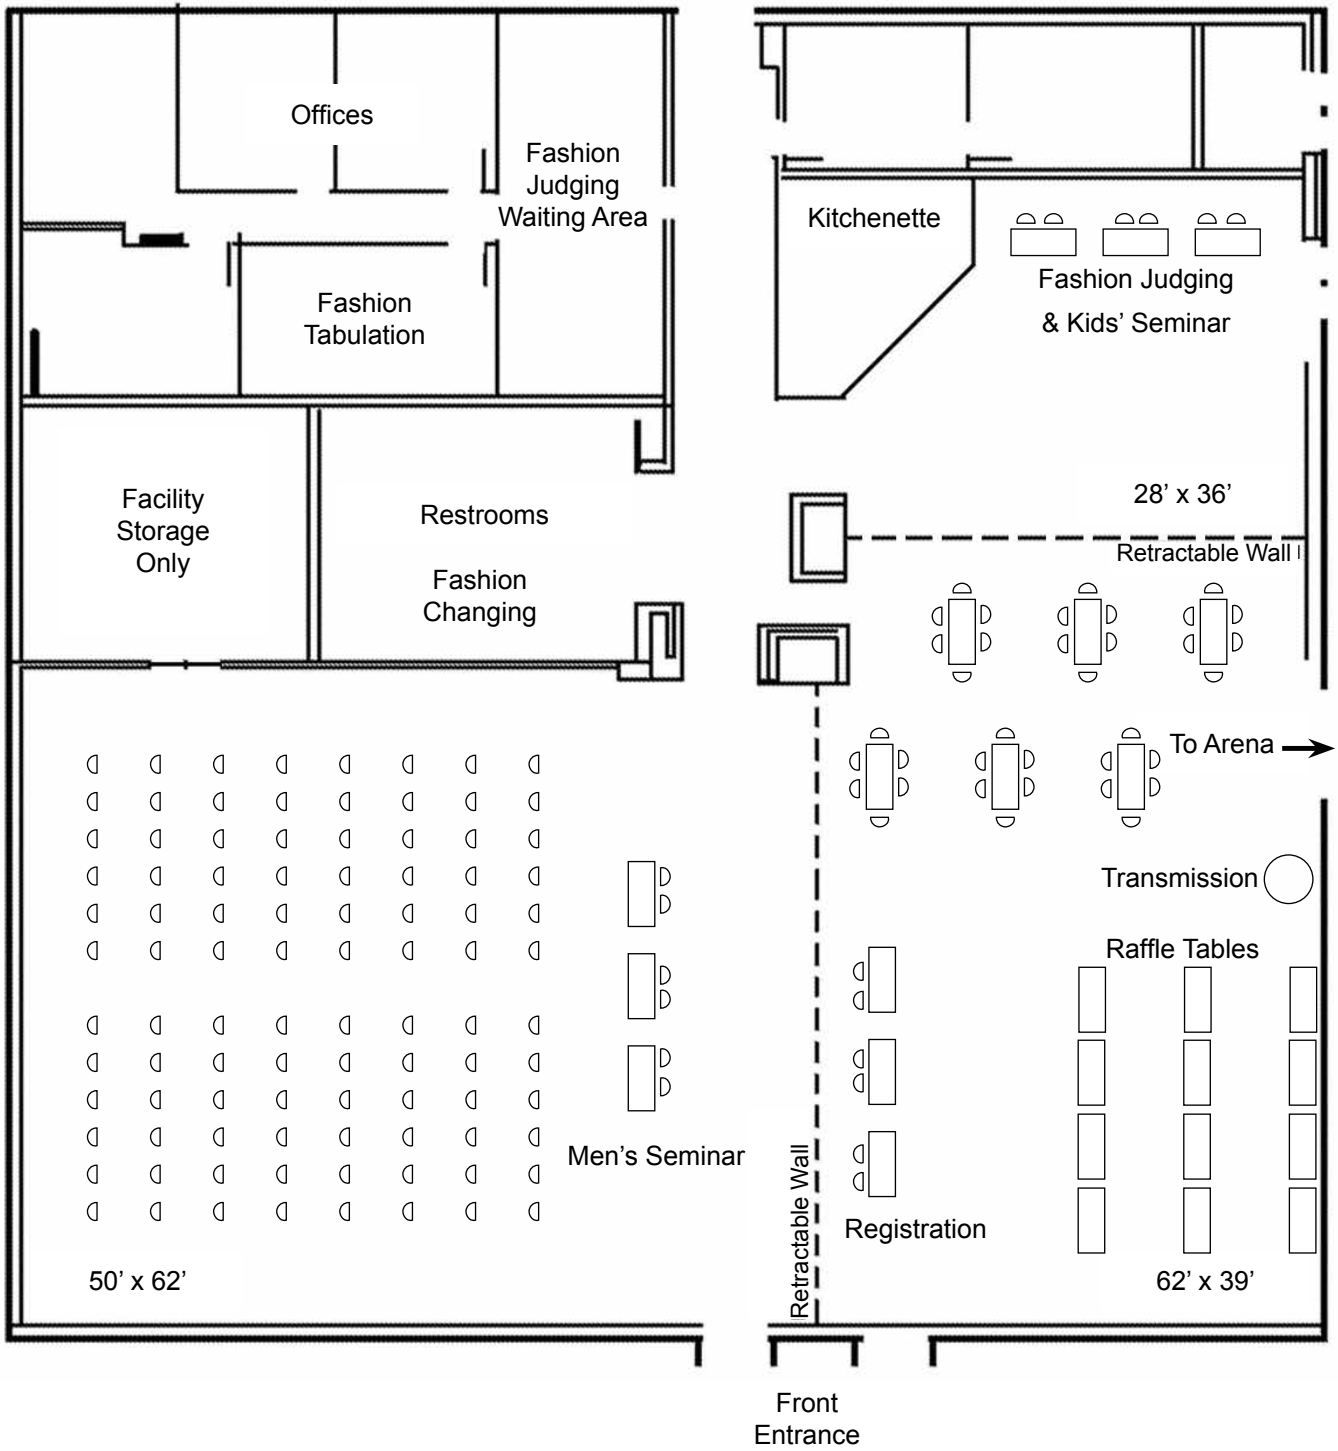

Stroll the streets for art, antiques, fine cuisine and collectibles. Cross the Bosque River and buy a lariat, hunting gear or hunting vehicle. Looking for a real home cooked meal? You'll find that and much more in Meridian.

Tour the award-winning Red Caboose Winery where wine is fermented, stored and chilled using geothermal and solar technology. The self-sustained winery also heats and cools their building using this technology,

Meridian is home to world-renown artists and up-and-coming artists. Examples of works by local artists (clockwise from upper left) George Hallmark, Dawn Sharp, Teddi Marks and leather weaver Leland Hensley.

HOW TO DRIVE YOUR MODEL A

Back in the Model A Era many women drove their cars on errands and to and from afternoon gatherings. Many automobile advertisements showed women driving the Model A. Ladies should not be intimidated about driving the Model A.

Starting Your Model A

1. Make sure **Parking Brake** is on (pulled towards you) Note: with earlier models, parking brake is on the left-hand side of driver.
2. Turn on the **Gas** (lever pointed down). Note: with later models (after April of 1931) the gas shut-off will probably be under the hood.
3. Retard the **Spark Lever** (on the left side of the steering column) by moving it all the way up. Note: Always retard the spark lever when starting. Starting the vehicle with the lever advanced (or down) can damage the starter if the engine kicks back.
4. Pull **Throttle Lever** (on the right side of the steering column) 1/3 down. This lever also causes the accelerator pedal on the floor to depress.
5. Turn **Carburetor Adjusting Rod** to the right (clockwise) until closed, then one full turn to the left (counterclockwise) to open. If the vehicle is warm, one quarter turn open to the left will be fine.
6. Put **Gear Shifter** into neutral.
7. Turn **Key** on.
8. Now pull back on the **Choke Rod** (Carburetor Adjusting Rod).
9. Press on the **Starter Button**, located on the floor.
10. After one turn, release the **Choke**. (Pulling on the choke enriches the piston chamber with a lot of gas at once, which helps to start the engine when it is cold. If the engine is warm, there is no need to use the choke.)
11. As soon as it starts, advance **Spark Lever** half way down the quadrant.
12. Close the **Carburetor Adjusting Rod** to one-quarter turn open.
13. For every 5 MPH increase in speed, you would move your Spark Advance Lever down one notch. In general, for normal driving, it is 1/2 to 3/4 of the way down. Lower it further for high speeds. When the engine is under a load, such as climbing a steep hill, retard (move up) the Spark Advance Lever.

Driving Your Model A

1. The Model A has just been started.
2. Apply the foot brake.
3. Release the parking brake.
4. Disengage the clutch (push the clutch pedal down to the floor).
5. Move the shift lever to the left and back for first gear.
6. Let up on brake pedal.
7. Gradually release the clutch pedal and lightly accelerate at the same time.
8. When the car has reached a speed of about 10 MPH, push in the clutch, shift into neutral, let the clutch out, put clutch back in, shift into second gear, and let clutch out (takes about three seconds, not rushing the count).
8. When the car has reached a speed of about 20 MPH, push in the clutch, shift into neutral, let the clutch out, put clutch back in, shift to third gear, and let clutch out.

Notes:

- *As you get to know your Model A, the speeds for shifting may vary.*
- *For economical driving, reduce the quantity of gasoline in the mixture by turning the GAV adjusting rod to the right as far as possible without affecting the operation of the engine. This will increase gas mileage.*
- *Turning the GAV too far to the left results in a “rich mixture”. Such a mixture has too much gasoline and should be used for starting and warming up*

only. Running too rich a mixture causes excessive carbon and overheating. In addition it wastes fuel. (For normal driving, the GAV is 1/4 turn open.)

Double Clutch to Down Shifting

- To down shift from third gear to second gear, disengage (push in) the clutch, shift to neutral, re-engage (let up) the clutch and rev the engine; then disengage the clutch again and shift to second, then re-engage the clutch. Basically “clutch, neutral, clutch, rev-clutch, shift” fairly quickly.

Stop Your Model A

1. Let off the gas pedal.
2. Depress the brake pedal.
3. Depress the clutch pedal.
4. Shift into neutral.
5. Release clutch pedal and brake to a halt. (Note: if you push the brake pedal all the way down and the car seems slow to stop, you may need to “pump” the brake pedal as you stop. That is, press and release the brake pedal quickly several times as you stop.

Park Your Model A

1. Turn off the key.
2. Move the gear shift lever out of neutral and into gear (any gear); if you leave it in neutral, it may roll.
3. Engage the emergency brake and point the front tires toward the curb if you park on a hill.
4. Turn off the gas.

Youth Activities	Andrea Douglass		

Early in the 20th century, the building that is now Inn On The River was part of a unique complex known as Dr. Snyder's Drugless Health Sanitarium. Snyder, who touted himself as a "magnetic healer," knew that people like to be pampered. He fed them well, provided them with hot baths and comfortable rooms, and generally gave them the kind of personal attention that made them want to return, year after year.

Dr. Snyder's spirit is still alive at Inn On The River. We don't claim to possess healing powers, but we do hold true to his belief that each guest should leave feeling refreshed and renewed.

Inn On The River is an extraordinary 22 room inn and group meeting facility located in the Historic District of Glen Rose, with a Texas Historical Marker. This elegant hotel is 2 blocks from Glen Rose city center and 5.6 miles from Dinosaur Valley State Park. Quaint rooms have antique furnishings, feather beds and European linens, as well as free WiFi. There are no TVs.

Breakfast is complimentary and the dining room serves a fixed dinner menu of upscale American fare. There's an outdoor pool, a porch with a seating area and a fireplace, and a landscaped backyard with lounge chairs along the riverbank.
